LARGE MED 600

Glass Door: DLS700PG

Overview

Our intuitive range refrigerators feature built-in wireless monitoring software, enabling you to access the refrigerator's performance remotely.

Plus, our bespoke touchscreen controller, designed specifically for the end user with simple access to key information.

Key Features

Advanced Controller

Easy to use touch screen controller, with no awkward buttons to press

Connected

Wireless temperature monitoring built-in

Dual Temperature Probes

View your daily minimum and maximum temperatures in one touch

Battery Back-Up

A/V alarms should your temperature stray or the door be left open

Antimicrobial Protection

Biocote® handle helping protect from microbes such as E. coli, Campylobacter, Salmonella and MRSA

Self-Closing Doors

Fitted with self-closing hinges to help avoid any temperature loss
